

4TB Dual Gigabit Rack mount Network Storage (4 x 1TB HDD)

CIT Part code: 4Tb Disk storage

At last, a new class of NAS designed to meet the requirements of increasingly energy-efficient computing environments. Setting itself apart from complicated or proprietary storage solutions, the ReadyNAS 1100 has the benefit of an open-source operating system and an efficient processor.

By carefully tailoring the Linux-based OS with a custom microprocessor, the 1100 removes traditional complexity, efficiency, and interoperability barriers. The NetGear ReadyNAS 1100 packs 2 gigabit interfaces, hardware RAID and 4 Hot Swap SATA disks all in a remarkable 12-inch deep 1U chassis! Quickly add network storage for any workgroup or department with this outstanding NAS server.

- 4x 1TB Hot Swappable Hard Drives
- 1x 10/100/1000 Mbps Port
- DHCP server and print server
- Smart Wizard Install Assistant

Specifications

Product Description	NETGEAR ReadyNAS 1100 4TB Dual Gigabit Rackmount Network Storage (4 x 1TB HDD)
Device Type	NAS server
Form Factor	1U Rack-mount
Total Storage Capacity	4 TB
Hard Drive	4 x 1 TB hot-swap
Storage Controller	1 x RAID - Serial ATA-150 - RAID 0, 1, 5
Networking	Network adapter - integrated - Ethernet, Fast Ethernet, Gigabit Ethernet
Host Connectivity	Gigabit Ethernet
Installed Devices / Modules Qty	4 (installed) / 4 (max)
Power	AC 120/230 V (50/60 Hz)
Weight	8.3 Kg (without Hard Disks)
Dimensions (W x D x H)	43 x 31.4 x 4.35 cm
